

Mobile-Financial.com

The Industry Resource For Mobile Financial Services

Mobile-Financial.com

Mobile-Financial.com is today's leading online Mobile Financial Services industry news, collaboration, and community portal. Mobile-Financial.com enables industry professionals to access breaking news, discover conferences & events, conduct market research, and connect with industry colleagues.

Daily Newsletter

Mobile-Financial.com publishes an industry email newsletter 5 times per week that reaches Mobile Financial executives and professionals within Mobile Network Operators, Financial Institutions, Technology Vendors, and Consultancies. Our newsletters provide our subscribers with breaking news, feature articles, conference promotions, analyst reports, blogs, and more every day.

News & Blogs

Mobile-Financial.com provides subscribers with industry focused news, articles, and resources covering topics that include: **Mobile Banking, Mobile Money Transfers, Mobile Payments, Mobile Marketing, and Mobile Commerce.** We also feature blogs by industry experts that provide readers with frequent and unique perspectives on the industry.

Conferences & Events

Mobile-Financial.com sponsors, promotes, and hosts Mobile Financial Services conferences & events throughout the world, including the U.S., Canada, Africa, India, and China for 2009. Mobile-Financial.com

also provides coverage of events with feature articles and post-event wrap-up reports from our industry analysts.

Community

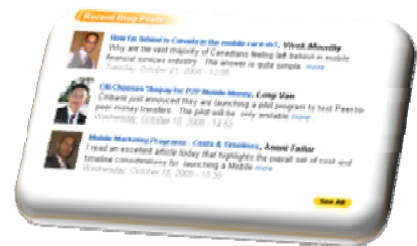

Mobile-Financial.com is home to an active and intelligent community of Mobile Financial professionals. Our subscribers interact with our community through blogging, commenting on articles, sharing news via email & leading social networking platforms, and subscribing to our Mobile-Financial.com Twitter feed.

Advertising & Press Releases

As a Media Partner for Mobile Financial vendors and conferences, Mobile-Financial.com provides advertising and press release services that reach the Mobile Financial community.
